

Coaching Questions for Arts Integration Implementation

Planning and Preparation

Lesson Design:

- How do you plan to integrate the arts into your upcoming lesson?
- What are the specific learning objectives for both the art form and the academic content area?
- How do you ensure that both sets of objectives are given equal importance?

Resources and Materials:

- What resources or materials will you need for this lesson?
- Are there any particular challenges you anticipate in gathering or using these resources?

Collaboration:

- Have you considered collaborating with an art specialist or colleague for this lesson?
 - How might you leverage their expertise to enhance your lesson?
-

Instructional Strategies

Engagement:

- How will you engage students in the lesson from the beginning?
- What strategies will you use to maintain student interest throughout the lesson?

Differentiation:

- How do you plan to differentiate instruction to meet the diverse needs of your students?
- Are there specific strategies you will use to ensure all students can access and benefit from the arts integration?

Student Involvement:

- In what ways will students be actively involved in both the artistic and academic components of the lesson?
 - How will you encourage student creativity and critical thinking during the lesson?
-

Assessment and Reflection

Assessment:

- How will you assess student learning in both the arts and the academic content area?
- What formative assessment strategies will you use to gauge student understanding during the lesson?

Feedback:

- How will you provide feedback to students on their artistic and academic work?
- How will you encourage peer feedback and self-assessment among students?

Reflection and Improvement

Reflection:

- After the lesson, how will you reflect on its effectiveness?
- What indicators will you look for to determine if your arts integration was successful?

Challenges and Adjustments:

- What challenges do you anticipate, and how might you address them?
- How will you adjust your approach if the lesson does not go as planned?

Professional Development:

- What areas of arts integration do you feel you need more support or professional development in?
 - How can you continue to grow your skills in integrating the arts into your teaching practice?
-

Student Outcomes and Impact

Student Engagement and Learning:

- How did students respond to the arts-integrated lesson compared to traditional lessons?
- What evidence do you have that arts integration enhanced student understanding and retention of the academic content?

Long-term Impact:

- How do you plan to measure the long-term impact of arts integration on student learning and engagement?
- What changes or improvements might you make to future lessons based on your reflections and student feedback?
